

# Loan Purposes

Lists describing the standard loan purposes. Loan purposes can then be used to generate reports to analyse your performance based on the loan purpose.

## Create a new Loan Purpose

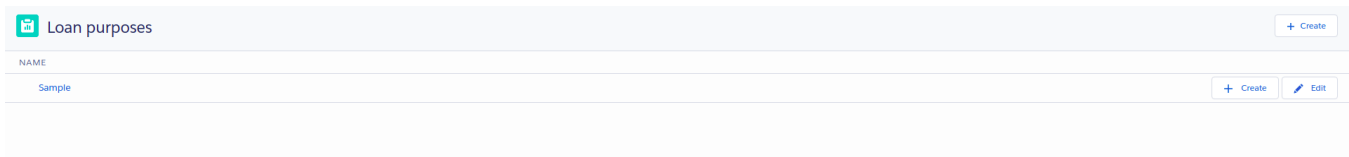

To create a new Loan Purpose click **+ Create button** upper right-hand corner and fill the following field:

- Name

After that, click the **Save** button to save the new entry or **Cancel** to quit without changes.

## Nested loan purposes

Loan purposes setup supports the hierarchy as well. You can create child sectors by clicking **+ Create** button in the respective row. You will then have options to save or discard your changes.

## Edit Loan Purpose

Click on the entry you want to edit to go the entry details where you will find the **Edit** button.

Once changes made click **Save** to save them or **Cancel** to discard.
