## Log in

If it is the first time you are launching OpenCBS Cloud, open a browser and enter the address provided to you by the OpenCBS team, which will bring you to the login page.

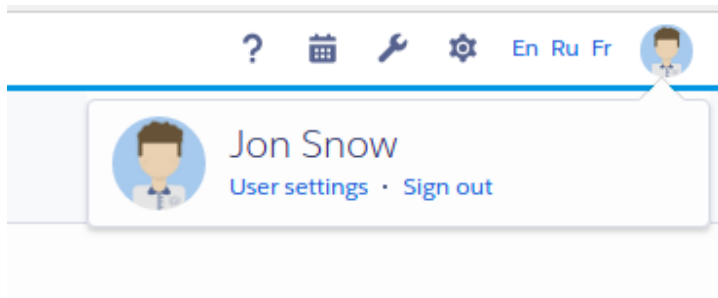

By default username and password are "**admin**".

After logging-in, you can create your own Administrator user or change the default one. You can then create users and accesses for other users, please refer to [Users](#) section.

## Log out

Click on the very last pictogram at the upper right-hand corner and choose the *Sign out* option. Now you are on the login page again.

## Reset password

To reset the password go to the login page and click the ***Forgot Your Password?*** link. You will receive further instructions by email.
